STATEMENT ON SAAB AUTOMOBILE PRODUCTION

Zeewolde, The Netherlands, 30 March 2011 – Spyker Cars N.V. (Spyker) announces that after a short production stop at Saab Automobile yesterday afternoon, this morning production re-started again.

Certain suppliers halted supplies to Saab Automobile pending discussions about payments and supply terms. Saab Automobile expects to resolve these issues in the short term, also to prevent any further disruptions in supply. Saab Automobile has sufficient means to meet its immediate liquidity needs from existing and available sources. In addition, Saab Automobile continues to work on longer term solutions to further strengthen its financial position and improve its capital structure.
