

## **Biography Mr. Arjen Dikken, candidate for appointment as statutory member of the Management Board of Spyker N.V., nominated by the Supervisory Board**

Arjen Dikken (1968) currently is Chief Financial Officer at Spyker N.V. and is responsible for finance & control, risk management, information technology and human resources.

Mr. Dikken has his own independent financial consulting firm which focuses on providing advisory solutions on finance and risk management. As partner at IMRA he worked on several assignments for Dutch public companies. As from 2007 Mr. Dikken is hired by Spyker to supervise the annual financial statement closing process. Before taking on the role as Spyker's Chief Financial Officer, Mr. Dikken was responsible for the financial reporting transition of Saab Automobile.

Prior to having his own independent consulting firm, Arjen Dikken worked as certified public accountant at Ernst & Young and BDO. Mr. Dikken graduated in Accountancy at the VU University Amsterdam.

Mr. Dikken works for Spyker pursuant to a management agreement.
